TAFTVILLE WINS FROM STAFFORD KNIGHTS

Before a very large crowd of basketball fans the Army and Navy team defeated the strong Stafford Springs K. of C. by the score of 22 to 19 at Parish Hall, Tuesday evening. The game was very fast all the way through and the fine guarding of G. Coleman added materially to the Army and Navy triumph over the Stafford team. The game was exciting and kept the fans in doubt most of the game. Mills did some very fine work at center. At the end of the first half the game stood 11 to 5 in Army and Navy's favor.

The preliminary game was between the Army and Navy seconds and the Monarchs of Williamstown. The seconds won the game after a hard struggle by the score of 18 to 17. At the end of the first half the score stood 8 to 10 in favor of the Monarchs and it looked like a sure victory for them but the seconds came back in the second half and scored on the last shot 11 to 18. This was the score at the end of the second half so they were allowed to play five minutes more and the seconds came out on top. The lineup:

Army and Navy: Stafford Springs

Mills RF Meranda
Lemieux LF Dolack
J. Murphy LP Aldenta
Referee Fontaine, Timer and scorer, T. Corcoran.

THREE-CORNERED BASEBALL

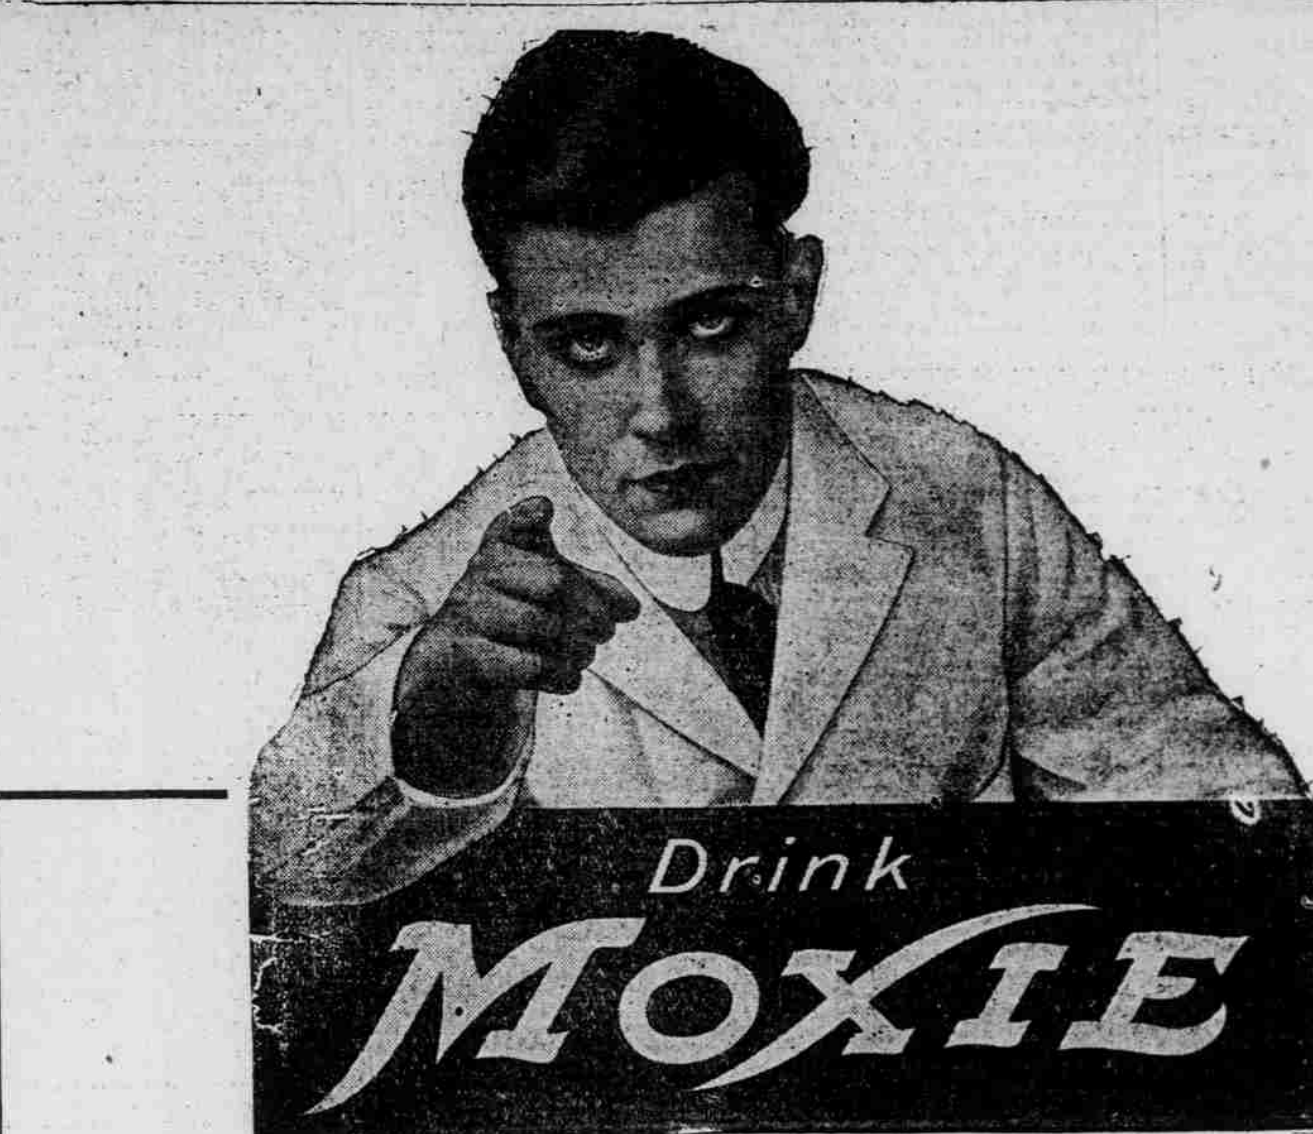

DEAL IS COMPLETED

New York, Jan. 10.—Harry Frazer, president of the Boston American League baseball club, tonight announced the completion of a three cornered deal by which Roger Peckinpaugh, former Yankee shortstop, goes to the Washington club as playing manager and Joe Dugan, the Athletic third baseman, is transferred to the Boston team.

In addition to Dugan, the Boston club receives Shortstop Frank O'Rourke, of Washington club, and Pitcher Ed. Miller and Pitcher Alton of the Washington club in exchange for Dugan.

So far as the Boston club is concerned, Frazer said, no more consideration was involved in the trade.

An official of the Yankee club stated tonight that the New York Americans tried to obtain Dugan by purchase some

An Open Letter of Appreciation for the Unprecedented Response to Our Announcement of the New Year

MOXIE PRICE REDUCTION

To Our Millions of Friends Everywhere:

IN response to our communication of January 1, announcing a substantial price reduction, bringing Moxie "back to normalcy," you have certainly started the New Year off happily for us. Your response has been so liberal in patronage that it has overwhelmed us. The response has been universal, North, South, East and West.

To undertake to reply to this by letter, wire or 'phone is an impossible task, owing to the volume. We feel, therefore, that we must again adopt this open letter through the newspapers in order that you may be aware of our appreciation of your wonderful expression which further tends to confirm our faith in our enormous good will, born of the best product on earth—the standard beverage MOXIE—and of universal fair dealing for almost half a century.

Particularly gratifying is the fact that every Moxie jobbing house and retail dealer, their salesmen and employees generally, numbering approximately 300,000, grasped the situation with enthusiasm. They all put their shoulders to the wheel and put Moxie, the standard beverage, back to normal, as it were, almost overnight—the most wonderful illustration of co-operation that was ever brought to the public attention, we believe.

Words fail us to express our appreciation, but it will inspire us with all the force at our command to bigger and better efforts if possible.

time ago and offered \$50,000 which was refused. Connie Mack, Athletics manager, is said to have insisted on \$100,000 as the purchase price.

Peckinpaugh, who was captain of the Yankee team last season, was traded to Boston last month with Phil Rizzuto, Collins, Jack Quinn and Bill Hoyer, in exchange for Everett Scott, Red Sox shortstop, and Pitchers Joe Bush and Sam Jones.

PECKINPAUGH OPTIMISTIC

FOR SENATORS NEXT SEASON

Cleveland, Jan. 10.—"If I am able to play that snap at shortstop, Washington ought to do pretty well in the American League next season," declared Roger Peckinpaugh, tonight when informed that the deal which makes him playing manager of the Nationals had been completed.

"It is great news and I certainly am happy," Peckinpaugh continued. "I am pleased that Washington did not give up First Baseman Joe Judge to get me from Boston, as I regard him one of the best in the game."

CONNIE MACK CLAIMS

NO MONEY WAS INVOLVED

Philadelphia, Jan. 10.—Connie Mack, manager of the Philadelphia American League club, tonight announced that he had traded Third Baseman Joe Dugan to the Washington team for Outfielder Miller and Pitcher Acosta, said there was no money consideration involved in his deal with Washington.

Dugan's home is in New Haven, Conn. He joined the Athletics about four years ago, coming from Holy Cross college. During the last two years he frequently expressed the desire to play with a team near his home. He left the team so often last season that he gained the nickname of "Disappearing Joe."

TEDDY RUSSELL GETTING

INTO SHAPE FOR FIGHT

Teddy Russell, the promising Norwich lightweight, has set up a training camp in this city, and is hard at work in preparation for some possible bouts that he may sign up for in the early future.

Russell is pointed for a bout either with Steady Steadman or with Knockout Palitto of New London, but Steadman will be his first choice for Ted wants to reverse the knockout that Steadman scored on him in a ring event in Norwich. Russell is working out every day at shadow

boxing, punching the bag, pulling the chest weights, and as many rounds of ring work as he can find opponents to face him for.

When he gets his camp fully established he proposes to run it much along the line of boxing clubs in New York where spectators will be admitted for a nominal charge and will be able to see whatever is on the bill for the day in the way of training bouts, workouts or practice by those who frequent the camp, who is located on the top floor of the building at 252 Main Street.

MARKET FAIRLY ACTIVE

New York, Jan. 10.—Dealing in stocks today were on a moderate scale and subordinated to the money market, where abundant supplies of call and time funds resulted in further ease.

Reports that many of the large financial institutions have discharged their federal reserve debts, coupled with lower discounts by the Dallas (Texas) Federal Reserve bank, strengthened the belief that another cut is impending here.

Demand loans opened at 1-1/2 per cent. to minimum initial quotation in over three weeks subsequently falling to three per cent. yesterday's low figure. Time loans for all dates were offered at 4-1/2 to 5 per cent. on mixed collateral.

Stocks continued to reflect the many price currents still prevailing in the commercial and industrial markets. The very nominal gain in tonnage reported by the U. S. Steel Corporation for December indicated that conditions in that industry are virtually at a standstill.

Prices were lower at the outset, rallying sharply at midday, only to manifest further broadening in the later decline. One was the objective of the shorts, fresh selling being occasioned by a reduction of support prices.

Some early speculative price losses and Chicago futures, which featured the uncertainty of the previous day, strengthened on assurances from official sources but stocks and most other popular industrial registered some further broadening in the later decline. One was the objective of the shorts, fresh selling being occasioned by a reduction of support prices.

The bond market derived further upward impetus from easy money. U. S. war bonds were active and strong. Wednesday 1-1/2 making a new high at 95.30 and Victory notes breaking into new ground, the 5-1/2s selling at 100.10 and the 4-1/2s at 100.12. There was also a broad demand for investment calls, chiefly Pacifica, granular and conifers. Total sales (par value) aggregated \$23,826,000.
